All-Road Offices Will Save \$250,000 in Rentals Alone.

That the new consolidated ticket offices to be opened by the Railroad Ad-

ministration will save yearly \$250,000 in rental alone was said yesterday by George A. Cullen, Chairman of the Consolidated Ticket Office Committee.

Four offices in Manhattan and one in Brooklyn will take the place of forty-eight offices maintained by the rail-

roads. Offices will be opened Tuesday at No. 61 Broadway, No. 87 Chambers Street and No. 114 West 49th Street and Sept. 23 the office at No. 31 West 32d Street will open. The Brooklyn office is doing business.

A school to instruct women in ticket selling is part of the plan.

## Women of Montana Helped To Defeat Jeanette Rankin

BUTTE, Mont., Aug. 29.

WOMEN of this State, mostly members of patriotic organizations, contributed a large share, it became known here today, in the defeat of Miss Jeanette Rankin for the Republican nomination for United States Senator in Tuesday's primary.

Farmers, despite their Non-Partisan League affiliation, also deserted the "lady Congressman" for Dr. O. M. Lanstrum of Helena, who, according to reports received up to this morning, apparently carried the State by about 3,000.

The vote so far gives Lanstrum 10,000 and Miss Rankin 6,582. Representative Rankin threatens to run as an independent if she fails to win the Republican nomination, which it now appears she has.

### AIDS WATER POWER BILL.

President Opposes Amendments in Administration Measures.

WASHINGTON, Aug. 29.—President Wilson to-day urged Congress to defeat amendments to the Administration Water Power bill, which in the judgment of those favoring Federal control of water power would give private interest a long-time monopoly.

In a letter to Chairman Simmons of the House Commerce Committee the President said:

"I did not see the draft of amendments which were introduced by Mr. Merrill and his associates after the bill was first put in the hands of your committee. I do not approve of them, and it is my earnest hope that Congress will see fit to pass the bill as it was originally drafted and provisionally agreed upon in our informal conference."

A body of a sailor, believed to be

one of the crew, was taken ashore. It is rumored there are several other bodies in the hold of the vessel.

## EXPECT GOMPERS TO TELL OF LABOR'S WAR AIMS

Federation Leader's Name One to Conjure With in U. S., Says London Paper.

LONDON, Aug. 29.—The arrival in England of Samuel Gompers, President of the American Federation of Labor, is an event of considerable importance, the Morning Post says.

"The name of Gompers," it adds, "is one to conjure with in the United States. There is rivalry between different sections of our own labor organizations and between the British and French for the honor of, shall we say, bringing Gompers out. But it is certain that he and his colleagues will attend the Trades Union Conference at Derby, at which the question of war aims will be raised. Up to this time all attempts to lay down a definite policy for the Allied labor movements have failed because American labor was not included.

"No international Socialist movement exclusive of or antagonistic to America organized labor can hope to prevail and Mr. Gompers may be the destined instrument of not the least service America has rendered the Allied cause."
